NEXT ISSUE

We will be highlighting the theme "Full Utilization of the Potential of the Service Sector in Japan: a Key to Revitalizing the Japanese Economy" in the March/April 2025 issue. Tourism, software, entertainment, and medical services in Japan have great potential for growth. They will help the Japanese economy avoid the risk of further decline and contribute to global well-being. Our next issue will be published on our website on March 10, 2025.
